is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the OEKO-TEX® mark, based on our test report **1853**

for the following articles

Knitted and woven mattress fabrics, ecru and/or dyed, consisting of cellulosic and animal (protein-) yarns (e.g. cotton, viscose, rayon, viscose made of bamboo, recycled cotton), synthetic yarns (e.g. polyester, polypropylene, polyamide, acrylic, elastane, metallized/silvered fibers, carbon, lurex) or a blend of both, with or without mechanical and/or chemical finish (e.g. sanfor, anti-microbial treatment with biological active product accepted by OEKO-TEX®, softening, soil release finish, water and oil repellent finish, flame retardant finish accepted by OEKO-TEX®, probiotic treatment, moisture management, chemical and optical bleaching, anti-slip treatment, anti-pilling treatment, anti-shrinkage treatment, lamination, seam slippage treatment, wellness treatment, aggravating finish), for the use on mattresses, as well for children as for adults - partly based on material pre-certified according to STANDARD 100 by OEKO-TEX®

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

This authorisation is valid until 31.10.2017
